

Inauguration

Vehicular Technology Society (VTS) Victorian Chapter

It is with great pleasure that we would like to invite you to the inaugural ceremony for the newly formed Victorian Chapter of the IEEE Vehicular Technology Society (VTS). As the first VTS chapter in Australia, we aim to capture the essence of vehicular technology research and developments worldwide and extend that knowledge, to all who are interested in or working in vehicular technology nationally.

This chapter has received support from many individuals, institutions, industries and organisations. Some of these include: IEEE, IEEE VTS, IEEE Victorian Section, ITS Australia, AutoCRC, Swinburne University of Technology, Latrobe University, RMIT University and Deakin University. To celebrate its formation, several distinguished guest speakers from these organisations have agreed to join us at this VTS event and share their areas of interests, research and expertise.

Your presence and support for further expansion of this chapter is also greatly appreciated.

Venue:

Room 207,
Australian Graduate School of Entrepreneurship (AGSE) Building,
Swinburne University of Technology (Hawthorn Campus)
<http://www.swinburne.edu.au/campuses/hawthorn/documents/hawthorn.pdf>
